

Looking for the Molecular Basis of Biological Processes and Metabolic Diseases.

Valencia, 17-18 October 2019

Aula Magna
Faculty of Medicine
University of Valencia

October 17th 2019

10:30 Opening Ceremony

Francisco Javier Chorro Gascó. Dean of Medicine Faculty. University of Valencia

M^a Dolores Real Garcia. Vice Rector for Innovation and Transfer. University of Valencia.

Jordi Pérez Tur. Director of Institute of Biomedicine of Valencia (CSIC)

Francesc Palau Martínez. Director of the Institute for Rare Childhood Disorders, Sant Joan de Deu Hospital and CIBERER

Felix M. Goñi Urcelay. Prof. of Biochemistry and Molecular Biology, University of Country Basque and CSIC-UPV/EHU. President of SEBBM

Andreas Hartig. Prof. of Biochemistry, University of Vienna. Former FEBS Fellowships Chair

11:00-11:45. Plenary Lecture

Johannes Häberle

11:45-13:30 Session I

11:45-12:00 **Francesc Palau:** "Outer mitochondrial membrane and disease: from basic science to translational diagnostics"

12:15-12:30 **Ljubica Caldovic:** "AMPK - A novel target for treatment of inborn errors of metabolism"

12:30-12:45 **Federico Pallardo:** "*Role of telomerase in the regulation of oxidative stress. Importance in Dyskeratosis congénita*"

12:45-13:00 **Carmelo Bernabeu:** "Of friendship and rare diseases"

13:00-13:15 **Emanuele Panza:** "*The complicated form of hereditary Spastic paraplegia SPG9*"

13:15-13:30 *Additional speakers*

13:30-15:00 Lunch break

15:00- 17:00 Session II

15:00-15:15 **Vicente Felipo:** "Chronic hyperammonemia induces neuro-inflammation which alters neurotransmission and cognitive and motor function: Underlying mechanisms and therapeutic implications".

15:15-15:30 **Javier Cervera:** The regulatory domain of Carbamyl Phosphate Synthetase: A retrospective"

15:30-15:45 **Bernat Soria**

15:45-16:00 **Andreas Hartig:** "The glyoxylate cycle and the peroxisomal membrane"

16:00-16:15 **Diego Martinelli**

16:15-16:30 **José Vicente Castell**

16:30-17:00 *Additional speakers*

17:00-17:30 Coffee break

17:30-20:00 Session III

17:30-17:45 **Karl Forchhammer:** "*The adventure of PII signalling: from molecular geometry to metabolic processes*"

17:45-18:00 **Asunción Contreras:** "*The guilty by association approach to regulatory networks in cyanobacteria*"

18:00 -18:15 **José Gallego:** "Hepatitis C RNA structure and function and some visits to the protein field"

18:15 -18:30 **Maria José Bonete**

18:30 -18:45 **Antonio García-España:** *"Origin and molecular evolution of tetraspanin associated uroplakin proteins"*

18:45 -19:00 **Vicente Conejero:**

19:00 -19:15 **Vicente Andrés**

19:15 -19:30 *Additional speakers*

20:30 Dinner

Atic Restó. Palau Alamada. Calle Muñoz Seca, 1

October 18th 2019

9:00-9:45. Plenary Lecture

Ignacio Fita

9:45-11:00 Session IV

9:45 - 10:00 **Manuel Palacín:** *" Heteromeric Amino Acid Transporters and disease, with the guidance of Vicente"*

10:00 -10:15 **Pedro Alzari :***"Enzymatic surprises from actinobacterial metabolism"*

10:15 -10:30 **Juan Hermoso:** *"A structural look into the regulation of bacterial cell-wall remodeling processes"*

10:30 -10:45 **Santiago Ramón:** *"Molecular mechanisms of negative cooperativity in the oldie-but-goodie aspartate transcarbamoylase, or how not to lose your bread in the cheese fondue"*

10:45 -11:00 **Armando Albert:** *"Structural Biology for plant adaptive response to drought and salinity stresses"*

11:00-11:30 Coffee break

11:30-13:00 Session V

11:30-11:45 **Felix Goñi:**

11:45-12:00 **Miguel Angel de la Rosa:**

12:00-12:15 **Federico Mayor Jr.**

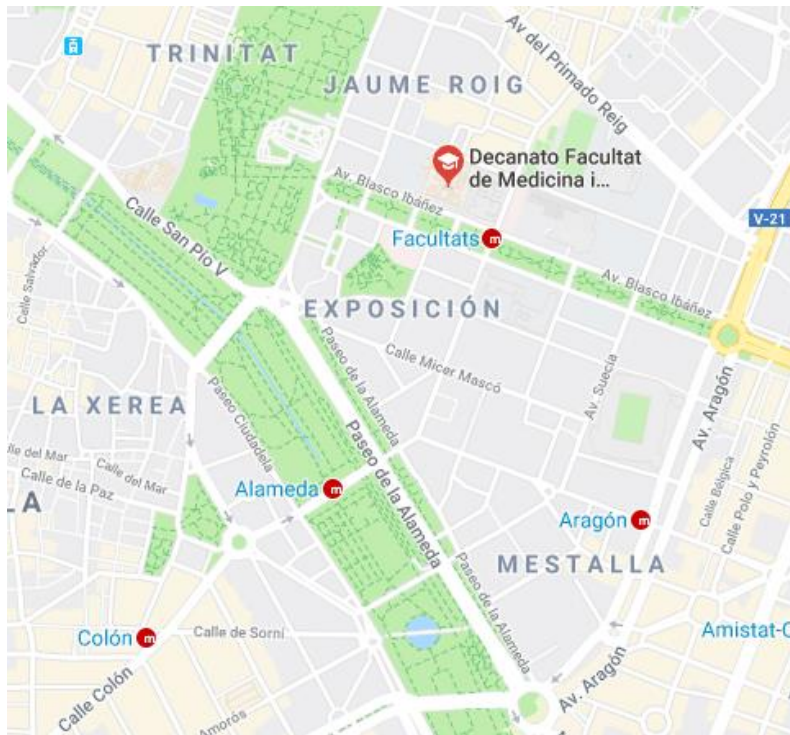

12:15-12:30 **José Pio Beltrán**

12:30-12:45 **Pascual Sanz**

12:45:13:00 **Vicente Rubio**

VENUE

Address: Faculty of Medicine and Odontology. Avda. Blasco Ibañez nº 15. 46010 VALENCIA

How to get to the Faculty of Medicine by public transport:

EMT Buses: 9, 10, 12, 29, 30, 71, 79, 80, 81, 89, 90

Metro: line 3; "Facultats" stop. Just next to the entry of the Faculty of Medicine.

From the airport:

Metro line 3. Stop "Facultats". About 30 minutes

From Joaquin Sorolla train station:

By taxi. About 15 minutes.

ACCOMODATION

We have an special arrangement for days 16 to 18th of October in three different hotels.

1) Hotel Dimar: It is a well-rated 4-star hotel close to the city center and to a metro station. It is also not very far away from the venue, being at less than 20 minutes on foot from it (it is a nice walk mainly through the old-river gardens), or 11 minutes away combining metro (only 1 stop) and walking.

The cost of the double room (**two people**) is **100 €** per night, including breakfast and VAT.

The cost of the double room for **one person** only is **85 €** per night, including breakfast and VAT.

The special offer is held until the 16th of September. Please use the code **HDI0030588** when booking the room. They will ask for a debit/credit card number (only for reservation purposes).

Please, contact them at reservas@hotel-dimar.com

hotel-dimar.com

Gran Via del Marqués del Túria, 80, 46005 Valencia

2) Sweet Hotel Renasa: It is a 3-star hotel and the cheapest option. It is also quite close to the venue (10 minutes on foot from it)

They did not offer a closed price but a discount of the best available tariff.

Please use the promo code **V.RUBIO** when booking the room. You can book it using their webpage www.sweethotelrenasa.com (and using the promo code) or by e-mail at reservas@hotel-renasa.com

Sweet Hotel Renasa. Avenida Cataluña 5 - 46010 VALENCIA

3) Soho Valencia. It is a new aparthotel in the city center very convenient if you come with the family (up to five people) .

They did not offer a closed price but a discount of the best available tarif.

Please use the promo code **YOLANDA** when booking the room. You can book it using their webpage <https://sohovalencia.com/en/> (and using the promo code).

Soho Valencia. Gran via de les Germanies, 32. 46006 – Valencia

If you want to extend your stay in Valencia after the meeting, please be aware they have less available rooms for the weekend.
